

6. "I release my reasoning limitations towards myself and others. I live in trust and have no more questions"

Ordination:

7. "I have no focus, I have no questions, I empty myself of all weights and worries, I am union" (let thinking mind sleep!)

Extreme Unction:

5. "I hold you in gratitude, and I withdraw every circuit of my energy from all that I have judged"

Confession

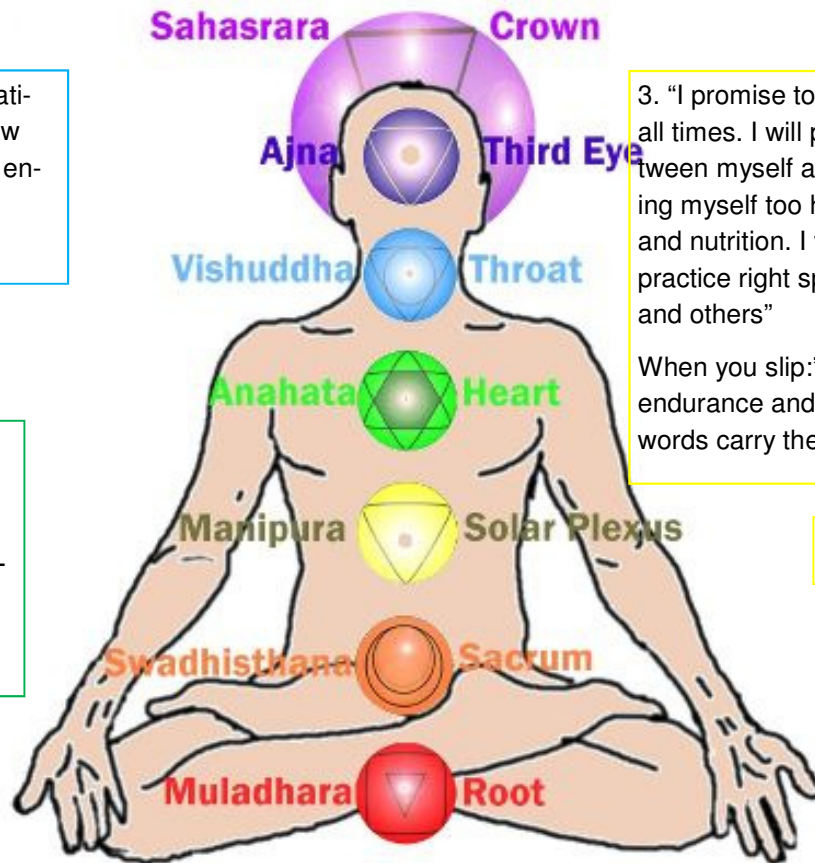

4. "I ask the Divine to fill my body and spirit with the healing power of love strong enough that I can feel its power. I need this power so that I may heal and live a full life"

Marriage

3. "I promise to live and be in present time at all times. I will put aside words and issues between myself and my partner. I will stop working myself too hard and make time for exercise and nutrition. I will mediate every day and practice right speech and action with myself and others"

When you slip:" I am filled with the energy of endurance and honour. My thoughts and words carry the power of creation itself"

Confirmation:

1. "I connect to all that is in my life. I am filled with the energy to flow with all its strength through my physical and spiritual body"

Baptism

2. "I am a vessel of creation, I am magnetically alive, and I am able to create life"

Communion:
